# **Cheap Flights to India From London and Around the World**

For cheap flights to India, the main factor in the cost is the departing point. The following will all be results for flights to Mumbai.

Leaving from Glasgow (GLA), there is a rate of 349 British pounds that includes taxes. This rate is available from November 25, 2009 to March 10, 2010. The dates of December 10, 2009 to January 15, 2010 are excluded. This price is not available on the internet, but the tickets can be reserved by phone. The offer is from A1 Flight Centre.

From London to Mumbai, the rate is 379.30 British pounds. This is from December 5, 2009 to December 9, 2009 on Oman Air. This price includes the taxes and the fees. This flight does have a stopover in Muscat, Oman.

If you are leaving from JFK out of New York City, the price is \$568.00. The taxes and fees associated with this ticket are an additional \$267.20. This is aboard Kuwait Air. There are two stopovers associated with this flight. One is in London then the other in Kuwait City.

From LAX to Mumbai the price of a round trip ticket is \$699. The associated fees and taxes are \$309.79. This flight leaves on Continental Airlines and lands in London. Then you will board a Virgin Airlines plane for the remainder flight to Mumbai. This is for the dates of January 19, 2010 and return on February 8, 2010. This offer is available in both Orbitz and CheapTickets.com.

These are just a few cheap flights to India. The price will vary depending on where you start from but you will end up in India.
