# **Cheap Holidays To Spain: Head Out To The Beach**

Are you eyeing to spend cheap holidays to Spain? If yes, you have made a great choice. Spain has a lot of things to offer which would not necessarily drain your wallet. In fact, many backpackers and budget travelers have come to Spain to enjoy what it has to offer.

As a backpacker or budget traveler, you should visit the summer resorts and beaches that line up the Spanish coastline. A lot of the accommodations, amenities, shops, establishments, and facilities in these beaches are very much within your budget. [Cheap holidays to Spain](#) is not to be underestimated; this type of tourism is responsible for a large part for the Spanish economy. There are various factors of this growth: a mild and pleasant climate, sandy beaches, spectacular underwater landscapes, modern facilities, wonderful culture, and others.

Among the country's attractions, Spanish beaches are popular for both international and local tourists alike. When visiting Spain, don't forget to head out to the Spanish coasts which include:

- \* The Costa Brava, Costa Daurada, and the Costa del Maresme in the autonomous community of Catalonia. These regions are very popular with French visitors and Spanish locals. Catalonia is the abode of well-known resorts such as Salou and the second largest city in Spain, Barcelona.
- \* The Costa del Azahar, Costa de Valencia and Costa Blanca in the Valencia region. The beaches in these areas are favorites by tourists from the United Kingdom and Germany. The area is home to the summer capital of Spain, Benidorm. It is also home to Valencia, a city well known for its old churches, cathedrals, forts, and fortresses.
- \* The Costa Calida in the Murcia Region and the Mediterranean coasts where guests can relax in the pleasant weather of the Mediterranean Sea. You can also visit Mar Menor, an inner salt lake that is separated to the Mediterranean via a big sand bar.
- \* The Costa Tropical, Costa del Sol, Costa del Sol, and Costa de Almeria, which are all situated in Andalusia. These coasts are well-known for their summer towns which exhibit the rustic, charming, and traditional side of Spain.
- \* The volcanic archipelago of the Canary Islands which exhibits wonderful flora and fauna and beautiful beaches.
