# Getting The Best Of Your Stay At A Low Cost Hotel

Any tourist in London won't have a hard time looking for low cost hotels London and hotels near St. Pancras or Kings Cross. You shouldn't immediately assume that a low cost hotel means that you'll get bad service there. There's a common prejudice against [low cost hotels London](#). You can actually get the same service from an expensive hotel for a considerably lower price in cheap [hotels Kings Cross](#) in London. It is not necessary that an expensive hotel is going to provide the best facilities.

There's a common prejudice against low cost hotels people think that a cheap hotel London will only provide the worst service. This is false. In fact, you can get excellent accommodation and services from hotels that charge affordable rates. The improvement of facilities and services and the decrease in hotel rates is due to the high level of competitiveness in the hotel industry. So if you're in London and you're looking for quality accommodation at a reasonable rate, you only have to keep in mind the following things.

In previous years, hotels near St. Pancras were seedy, run-down bed and breakfasts, reflecting the state of the nearby Kings Cross station. In the last decade a lot of money has been poured into a rejuvenated district culminating in the St Pancras Station redevelopment and arrival of the Euro star trains transforming the Kings Cross St Pancras area. However, the cheap independent hotels in the St. Pancras area are still among the best cheap hotels in London. Again, the point should be emphasized that the money is less but this does not mean that quality has been compromised.

Because the rest of London is so easily accessible from St Pancras, it's now becoming the ideal place to stay if you're looking to explore the city. You can save time and money by booking a room in advance over the Internet. Kings Cross hotels, according to recent reviews, is the preferred place to stay for most people visiting London. These reviews are by a mix of people, some of them looking for just affordability, some for quality of service, and some of them for both. You therefore need not compromise on your preference or even worry about being offered low quality services while staying at a cheap hotel. With knowledge of how to go about finding the necessary information, you can easily find a hotel in London that is affordable.

If you want to appreciate the splendour of London and at the exact same time you do not have a great deal of money, then it is advisable to go to London for the duration of off season. This way you'll get to save more money.
